Lab Assignment 9

This assignment has two problems: Lab Assignment 9A and Lab Assignment 9B.

Grading policy: The Lab Assignment 9 is worth 15 points. You will receive 10 if you do only one (either one). The second one is 5 points.

Lab Assignment 9A

Write an HTML page with one form with the following:

(1) Four text boxes to input these values:

(i) Name of the user (ii) User Id (iii) password (iv) Password again for confirmation

(2) One checkbox group with a set of four check boxes (you make the items).

(3) One select tag with a set of four items (you make the items).

(4) One submit button

When I open your page, I will complete the form and press the submit button. Your code will output all my data in a colored `<div></div>` element.

Name this file **Lab9A***YourLastName*.html. Example: Lab9ASmith.html.

Lab Assignment 9B

Improve the first part of this assignment (Lab Assignment 9A) by including the following features in the textbox input elements:

1. Make sure no textbox entry is empty
2. Make sure that the user types the name in all capital letters.
3. Make sure user Id is 3 to 6 characters (letters or digits)
4. Make sure password and confirmation password are identical

When I open your page, I will complete the form and press the submit button. Your code will check all my data for correct input (as described) and output all my data in a colored `<div></div>` element.

Name this file **Lab9B***YourLastName*.html. Example: Lab9BSmith.html.

What to submit:

1. Upload both HTML files on to Vulcan under your public_html. Test if the link works from your browser.
2. Send me an email to IT614Assignment@gmail.com. Include in the same email the two links to your HTML files on Vulcan.
3. I will open each of the HTML files in Chrome browser. If the links don't work, you will automatically receive 0 for the assignment(s).
4. Both pages must display (in the browser) the following information: (i) Your full name (ii) Course number and (iii) Assignment number.
5. Include your name and assignment # in the email subject area.

If any of the above items are missing, you will not receive full credit.

Required:

After you submit your assignment this week post some comments on the Discussion Board about this week's work. Also include any interesting Web site you found on this week's material.

If you don't post your comments on the Discussion Board before the Lab due date/time, you will lose two points from your lab score.
